

Bluey's

Weekend with Santa!

Through the
MAGIC of
CHRISTMAS,
and with a little
help from the
LEXINGTON
PARK LIONS,

SANTA'S
ELVES
whisked us to the
NORTH POLE
to visit **SANTA!**

When we
got there,
SANTA CLAUS

and
MRS. CLAUS

were waiting to
greet us!

Santa checked to see

if we were on the

NAUGHTY

or the NICE list.

Don't worry,

we're all on the

NICE LIST!

Naughty

SANTA showed us
some of the **TOYS**
he will be bringing to
children this year.

He even showed us
how to put the
TOYS together!

MRS. CLAUS

showed us how to

wrap a present.

She had

such pretty

WRAPPING

PAPER.

Then, we got

to feed the

REINDEER!

They were really big

but very friendly,

especially

RUDOLPH.

When we came
back inside,
MRS. CLAUS
gave us
MILK and
COOKIES.

Then, **SANTA**

read us

THE NIGHT

BEFORE

CHRISTMAS.

We were all
pretty tired by
then, so we
cuddled up
together to take a

NAP.

After nap time was over,

SANTA

asked me to remind you

he would be visiting our

house on

CHRISTMAS

EVE!

He said not to forget
the **MILK** and
COOKIES,

and gave me a
CANDY CANE
to share with you!

Then, the **ELVES**
used their
CHRISTMAS
MAGIC

to whisk us back
HOME.

Here I am
with Uncle
Jason!
